

Know What You're Paying

In compliance with state law, Lake Health Beachwood Medical Center is providing this price list containing our charges for room and board, emergency department, operating room, physical therapy and other common procedures. Lake Health's charges are the same for patients with or without medical insurance. The patient's responsibility may vary, depending on individual medical insurance.

Uninsured or underinsured patients should consult with Patient Financial Counseling staff to determine if they qualify for financial assistance.

Lake Health Self-pay Policy

It is the policy of Lake Health that all patients will be treated fairly and with respect regardless of their ability to pay for the services they received. We will:

- Provide counseling to all uninsured patients, including help in understanding and applying for local, state and federal health care programs such as Medicaid and HCAP.
- Describe to patients without any third party health care coverage (governmental or private) that they may apply for charge reductions through the Lake Health Uninsured Charity Care Program.
- Establish reasonable, interest-free payment plans.

Language Assistance Services

Lake Health complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability or sex.
